

Soccer Saturday - U6 Schedule

Monday, June 7, 2010

Because U-6 is non-competitive, we have established the U-6 schedule for Saturday, July 16th now. Games will be played on County 3A and 3B. We hope that these players and their families will participate in all the Soccer Saturday activities. We would also appreciate help from available parents in our concession stand or other places on the grounds. We need help on Thursday evening to set up, Friday evening and all day Saturday during games, and Saturday after the last game to clean up. For more information about what help is needed, please call 232-OYSC (6972) or ask at the registration table during the tournament.
